THE GREENS

Native Club is more than just a gym. Based in Zabeel House by Jumeirah™, The Greens we are from - and at the heart of - the neighbourhood.

We have a fully equipped gymnasium with state-of-the-art equipment offering an indoor and outdoor functional training zone, which includes a 40m outdoor Sprint track. Our outdoor area also includes an 18-meter rooftop swimming pool that caters for exercise and leisure as well as luxurious cabanas for members to relax. If you prefer group sessions, our vibrant fitness studio also offers a diverse range of classes from cardio to mind and body.

Native Club houses the first organic spa in Dubai, offering bespoke spa treatments including luxury facials, detox seaweed wraps as well as sport specific massages. Our onsite nutritionist runs quarterly nutrition, health and wellbeing events and even offers tailored nutrition packages for your every need.

We didn't forget our little members! The in-house 'Play House' offers nonstop fun and babysitting services.
